California Cape Cod home situated in prestigious Peninsula Point locale blends timeless Nantucket-style architecture with classic modern appointments. Steps to the beach, the new construction four bedroom, four and one half bath has a large bonus room for media or office and three private outdoor living spaces including a rooftop patio and outdoor kitchen with spectacular ocean views. Waterworks baths and kitchen, three fireplaces, custom wood and ceiling detail, distressed white oak hardwood plank flooring, stainless steel professional grade appliances, and Roger's Gardens landscaping generously complete the seaside home.
